ART GALLERY OF ONTARIO

Art Gallery of Ontario is one of the largest art museums in North America. The AGO's collection of close to 95,000 works ranges from cutting-edge contemporary art to focused collections in Gothic boxwood miniatures and Western and Central African art. Drawing on this collection—as well as collaborations with museums around the world—the AGO presents wide-ranging exhibitions and programs, taking special care to showcase diverse and underrepresented artists.

Casa Loma Castle

Casa Loma was first built in 1914 by financier Sir Henry Pellatt. The castle located in midtown Toronto is regarded as a treasured heritage landmark. With soaring battlements and secret passageways, it paid homage to the castles and knights of days gone by. To this day it remains one of the only true castles in North America.
